Great schools, like ours in Grosse Ile, enrich their academic programs with athletic opportunities that teach the value of teamwork and sportsmanship. Such athletic programs are most successful when parents and community members support them. To that end, the Grosse Ile Athletic Boosters has provided both financial and volunteer support for our high school athletic programs since 1959. Our ability to help the schools is possible through the support of community members, like you, who fund our efforts with an annual sponsorship donation of \$50, and who selflessly volunteer their time. This support is critical in these challenging times.

This past year, the Boosters have provided:

- In partnership with BASF, the GI Athletic Boosters purchased two emergency Automated External Defibrillator and BASF donated one AED for deployment at school events.
- Uniforms for six varsity sports totaling over \$12,000.00.
- Varsity Letters, certificates, and plaques.
- Event programs and concessions
- Award Banquets for the three varsity sport seasons.

During these tough fiscal times that face our schools, the Boosters support is more important than ever. Please join us at our meetings, be a sponsor with your \$50 donation, and volunteer to help us at the next game. Trust that whatever you do will be appreciated by all of Grosse Ile's student athletes.
